

This is a copy of a message I've sent to Sinclair Broadcasting.

Sinclair Broadcasting's decision to force their TV stations to air an anti-Kerry documentary(?) days before the election is a clear example of the dangers of media consolidation. This is not the balanced use of the airwaves you are required to make.

I recommend to the FCC that they deny the renewal of all your operating licenses. A copy of these comments is going to the FCC. A copy is also going to Senators Boxer and Feinstein, and representative Honda. dew
